## GCSE PHYSICAL EDUCATION

Paper 2 – Socio-cultural influences and well-being in physical activity and sport

Specimen 2018

Morning

Time allowed: 1 hour 15 minutes

#### Materials

For this paper you must have:

a calculator

#### Instructions

- Use black ink or black ball-point pen. Pencil should only be used for drawing.
- Fill in the boxes at the bottom of this page.
- Answer **all** questions. You must answer the questions in the space provided. Do **not** write outside the box around each page or on blank pages.
- Do all rough work in this book. Cross through any work you do not want to be marked.

#### Information

- The marks for questions are shown in brackets.
- The maximum mark for this paper is 78.
- Questions should be answered in continuous prose. You will be assessed on your ability to:
  - use good English
  - organise information clearly
  - use specialist vocabulary where appropriate.

| Please write clearly, in block capitals, to allow character recognition. |
|--|
| Centre number  |
| Surname  |
| Forename(s)  |
| Candidate signature  |

Answer **all** questions.

| For each ar              | ns with four responses only <b>one</b> answer per question is allowed.<br>Inswer completely fill in the circle alongside the appropriate answer<br>D • WRONG METHODS © © © © Ø<br>to change your answer you must cross out your original answer a |                  |

Turn over for the next question

1 0 A group of five friends have recently calculated their body mass indexes (BMI) and have researched how to follow a balanced diet. Their current BMI scores are shown in Table 1.

| Friend    | Friend1 | Friend 2 | Friend 3 | Friend 4 | Friend 5 |
|-----------|---------|----------|----------|----------|----------|
| BMI score | 38      | 21       | 29       | 31       | 30       |

Table 1 – The BMI scores of a group of five friends

1 0 . 1 Analyse the information shown in Table 1 and identify which of the friends are classified as obese. Justify your answer.

[2 marks]

**1 0 . 2** What is a balanced diet?

[3 marks]

**1 0 . 3** One possible consequence of a sedentary lifestyle is obesity.

Identify two other consequences of a sedentary lifestyle.

[2 marks]

1. 2.

| 1 1 | Katie is a newly qualified PE teacher at a primary school. She is using v<br>guidance in her teaching. | erbal              |
|-----|--|--------------------|
|     | Discuss the suitability of verbal guidance when teaching at a primary sc                               | hool.<br>[4 marks] |
|     |  |                    |
|     |  |                    |
|     |  |                    |
| 1 2 | Explain what sports would suit the following personality types: <ul> <li>introvert</li> </ul>          |                    |
|     | • extrovert.   | [2 marks]          |
|     |  |                    |

**1 3 . 1** Many performance enhancing drugs (PEDs) are not allowed in sport. However, some performers still take them because of the positive effect that they have on their bodies. Taking PEDs can also cause negative side effects.

Complete **Table 2** to identify **one** positive effect of anabolic agents on the performer's body **and one** possible negative side effect of diuretics on the performer's body.

[2 marks]

| Performance<br>enhancing drug | One positive effect on the performer's body | One possible negative<br>side effect on the<br>performer's body |
|-------------------------------|---|---|
| Anabolic agents               |   | High blood pressure   |
| Diuretics                     | Increased amount of water excreted in urine |   |

#### Table 2 – Performance enhancing drugs and their effects

### **1 3 . 2** Performers face lengthy bans from competing if they are caught taking a performance enhancing drug.

Identify **two** possible non-physiological reasons why a performer may risk taking a performance enhancing drug.

**18** Using the stages of the information processing model, analyse how a performer hits a ball or shuttlecock in a racket sport of your choice (for example squash, tennis or badminton).

[6 marks]

#### Extra space

1 9

Aisha is currently studying for her GCSEs. Her school report has been sent home to her parents and highlights that her PE teacher is worried about her lack of interest in taking part in physical activity inside and outside of school. Her parents are also disappointed as they have regularly encouraged her to join a sports club.

Identify potential factors that could have caused Aisha's lack of interest in sport, justifying your choices.

[9 marks]
